

Lighting Services
Production Services
Creative Lighting Events

Founded in 1950, ALF designs, develops and produces luminous devices and apparatus for professional Photography Film & TV. With years of constructing devices in an ever changing world the company formed in 1995 three new divisions offering complete services in Lighting Research, Lighting Services and Creative Lighting Events. ALF can offer various lighting solutions for both indoor and outdoor activities using Helium Clouds, Helium Lighting Balloons, Bag O Lights, SkyLight, Optical Fibres, Led Lighting Systems, Flash Lights, Movie Lights. About the services that we at ALF can provide worldwide in field of illumination, please feel free to visit our homepage: www.alfservice.com
